SUMMARY

An ambitious finance student at Nile University with a strong foundation in financial management, investment principles, and data analysis. Through 6 months of call center experience, I have developed skills in customer service, communication, and problem-solving. I am adept at working in fast-paced environments, managing client relations, and applying analytical thinking to solve challenges. Seeking opportunities in finance, banking, or business development where I can apply academic knowledge and professional skills.

EXPERIENCE

Customer Service, Intelcia
Egypt Walk of Cairo
Jul 2024 - Jan 2025

- Handled inbound and outbound calls daily, assisting customers with inquiries, complaints, and service requests.
- Delivered professional and clear communication to improve customer satisfaction and retention.
- Resolved issues efficiently by identifying customer needs and offering tailored solutions.
- Logged call details and maintained accurate records in the CRM system.
- Met performance goals, including call handling time, customer satisfaction, and productivity metrics.

EDUCATION

Nile University, Finance
Egypt (2023 - 2027)

- Currently pursuing a Finance degree with a focus on financial management, investment analysis, corporate finance, and banking systems.
- Developing strong knowledge in accounting, risk management, and financial markets.
- Gaining practical skills in data analysis, financial modeling, and decision-making tools relevant to the finance industry.
- Actively engaged in projects and coursework that strengthen problem-solving, analytical thinking, and teamwork abilities.
